Answering the all-important question that everyone has to consider - What are we going to eat? - At My Table is a collection of straightforward recipes to suit any level of cookery skill, because life is complicated enough, and cooking shouldn't be. Beautifully bound, with an embossed hardback cover, this is a recipe book that any cook would be delighted to receive as a gift, if you can bear to part with it once you've looked inside...

Nigella is firmly of the belief that every home should have a table - a place for families and friends to meet, eat and make memories together - and for Nigella, precious family memories are intrinsically tied up with food and the tables she's eaten at, from the blue Formica tabletop of her childhood to the mottled zinc version in her current home.

The recipes are warming, comforting, and inspirational, from new takes on classic dishes - including Chicken Fricassee and Sticky Toffee Pudding - to adventures in a host of new dishes and ingredients, from Aubergine Fatteh to Flash-Fried Squid with Tomato and Tequila Salsa and White Miso Hummus. There are a wide range of dishes to inspire cooks and eaters of all types and ages, such as Hake with Bacon, Peas and Cider, Fennel with Harissa, and Herbed Leg of Lamb - with starters, sauces, sides, desserts and sweet treats to please everybody's taste buds.
