Jason Kennly needs to get a closer look when he spots a gray leather collar from across the dealers' room at a science fiction convention, even if there's no way he can afford it on his college student budget. After all, looking is free. But then he spots something he wants even more than the collar: leather booth owner Henry Durand, who insists Jason try it on. When Henry asks Jason to be his model at a bondage demo, Jason agrees despite his lack of experience as a sub and ends up spending a no-strings-attached weekend exploring his kinky side with a virtual stranger. Then the con is over, Jason and Henry go their separate ways, and it's back to real life. Coming to terms with his identity as a submissive and masochist isn't easy for Jason. Suddenly he has to face fear, doubt, and a best friend who'll do anything to get him away from "that creep" and back together with the ex-boyfriend who ignored him. All Jason wants is to be with Henry, but what if that means becoming his slave?
